

A company's sustainable and long-term success always begins with compliance!

- ✓ Why do companies often pay special attention to compliance?
- ✓ Do you know how bad each of your small compliance violations does damage not only to yourself directly but also to company?
- ✓ What kinds of compliance awareness and regulations are issues for serious consideration? Which behaviors are considered normal by Vietnamese employees but unacceptable by companies, specially Japanese companies?

Let's join Aimnext's **“RAISING EMPLOYEE AWARENESS OF COMPLIANCE”** course and together build a healthy work environment, and have early prevention of compliance risks for company.
